8

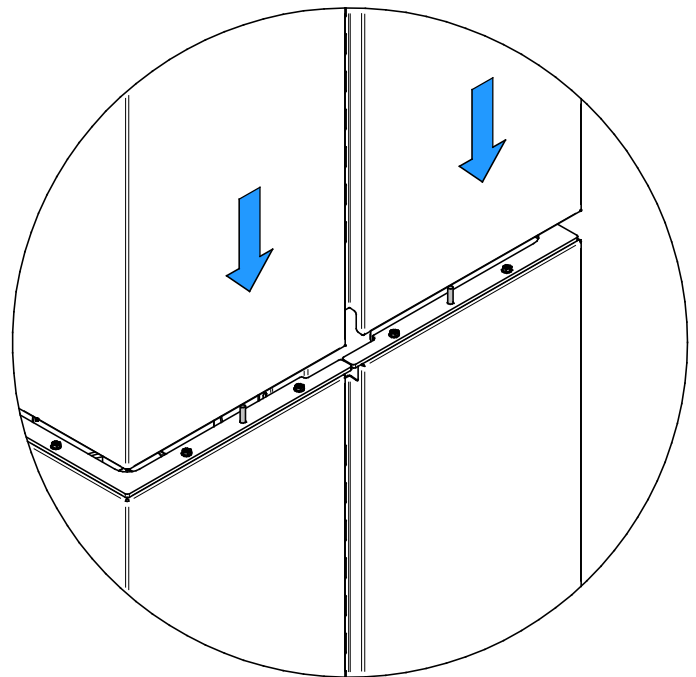

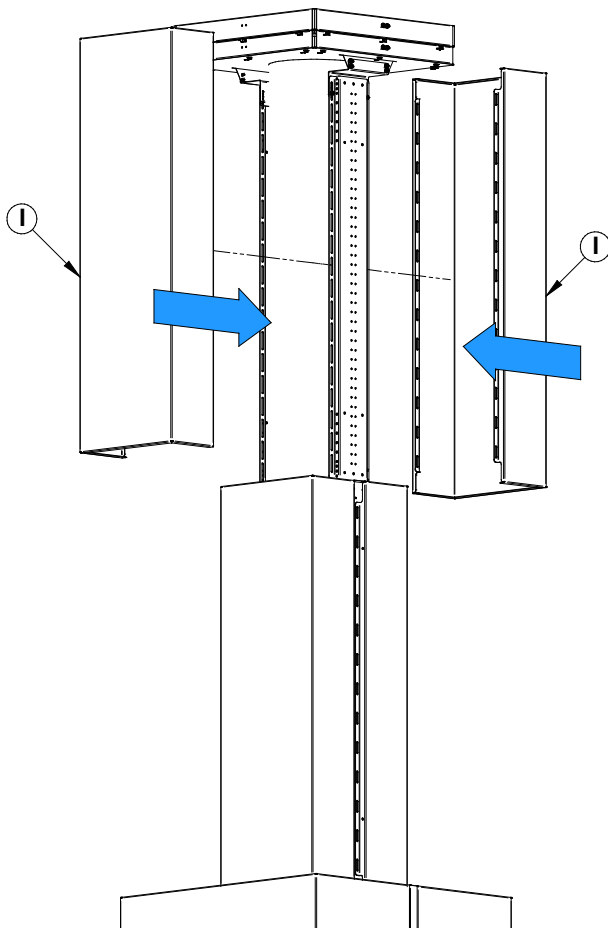

ATTENTION / WARNING

Faites attention à la peinture lors de l'installation.

Be careful with paint when installing parts.

9

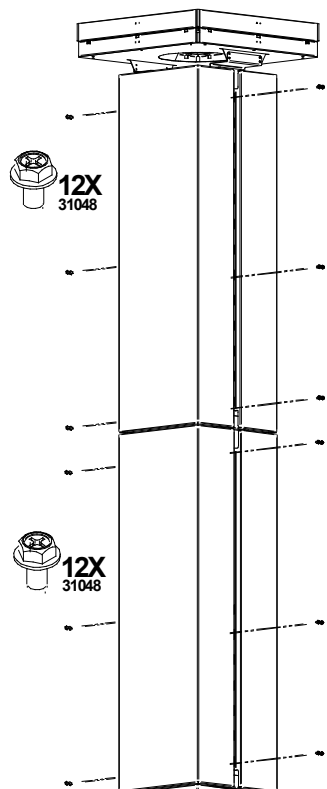

10

ATTENTION / WARNING

Positionner les vis de façon à ne pas obstruer les moulures de finition.

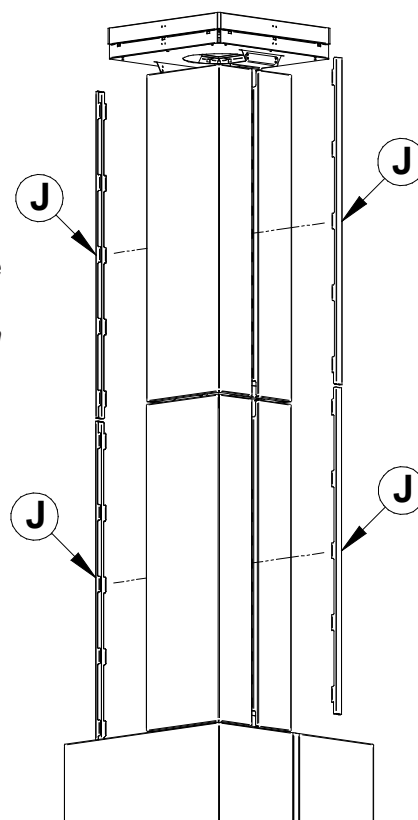

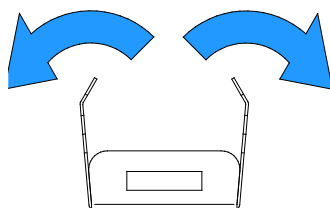

Position the screws so that they do not interfere with the finishing moldings.

11

Ajustez l'ouverture de la moulure de finition au besoin. La pièce J ne doit pas bouger une fois en place.

Adjust the opening of the finishing trim as needed. Part J should not move once in place.

12

Référez-vous à l'installation du VA20CT20 – PROFIL DESIGN étapes 16 à 18

Refer to the VA20CT20 – Design Profile installation instructions steps 16 to 18

APPLICATION ET ENTRETIEN**APPLICATION AND MAINTENANCE**

Nettoyez la surface avec un chiffon doux et un détergent léger. Évitez les produits abrasifs qui pourraient endommager la finition.

Clean the surface with a soft cloth and a mild detergent. Avoid abrasive products that could damage the finish.

ATTENTION / CAUTION

LES SURFACES PEUVENT DEVENIR CHAUDES. AUCUN MATÉRIAU COMBUSTIBLE OU PRODUIT INFLAMMABLE NE DEVRAIT TOUCHER LA SURFACE

The surfaces may become hot. No combustible materials or flammable products should come into contact with the surface.
